General Information

TERMS: The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyers' risk as soon as bid off but the management will attend to loading on cars or trucks in compliance with instructions from purchasers.

GUARANTEE: All cattle are sold subject to a sixty day retest, for tuberculosis and health certificates will be furnished to enable them to be shipped into any state or territory. Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd.

All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over sixteen months old at the time of the sale are guaranteed to be breeders. Animals returned to sellers because they do not comply with guarantee will be at buyer's costs of transportation.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

Improve Your Cattle Now

Now is the time to improve your herd whether it be Shorthorns or other cattle and to prepare to get your breeding operations on a more profitable basis. The addition of a few better females, the use of a better bull and one that is bred along better bloodlines will accomplish this result. Much better cattle than usual are being consigned to this sale. Every female in this sale is real foundation material. Every bull is a prospective herd sire of true type, rich quality, prepotent character and strong ancestry.

This is the buyer's opportunity. In spite of the low prices at which these cattle may be expected to sell, the following well known breeders are consigning their best products:

A. J. Young, Exira

Ray Coglon, Exira

Eichhorn Estate, Atlantic

Fred Laartz, Atlantic

J. D. McDermott & Sons, Wiota

Thomas Campbell, Audubon

Chas. Sorensen, Audubon

George Struve, Manning

Lomas Bros., Villisca

Lou Kennedy, Atlantic

In breeding as well as in individuality, this is the best lot of cattle that has ever been sold at a consignment sale in this territory. The best cattle are always the cheapest for breeding purposes.
